I'm a quantitative population geographer interested in internal & international migration, mobility, population projections and data visualisation.

Education

- Apr 2006 - Feb 2011 **PhD in Geography**, *University of Queensland, Australia*,
Title: "Retirement Migration of the Baby Boomers in Australia: Beach, Bush or Busted?", Advisor: Professor Martin Bell.
- Oct 2007 - Mar 2008 **International Max Planck Research School for Demography**, *Max Planck Institute for Demographic Research, Germany*.
- Jun 2007 - Aug 2007 **Young Scientists Summer Program**, *World Population Program, International Institute for Applied Systems Analysis, Austria*.
- Oct 1999 - Jul 2005 **Diplom in Geography (Master's equivalent; graduated with distinction)**, *Eberhard-Karls University Tübingen, Germany*.
- Apr 2004 - Nov 2004 **Research stay**, *Griffith University, Gold Coast, Australia*.
- Feb 2003 - July 2003 **Exchange student**, *Flinders University, Adelaide, Australia*.
- 1998 **Abitur (baccalaureate)**, *Konrad-Heresbach Gymnasium Mettmann, Germany*.

Current Position

- since Mar 2016 **Assistant Professor of Population Geography**, *Population Research Centre, Department of Demography, Faculty of Spatial Sciences, University of Groningen, the Netherlands*.

Previous Positions

- Nov 2010 - Feb 2016 **Research Scholar**, *Vienna Institute of Demography, Austrian Academy of Sciences, Austria*.
- Jan 2011 - Feb 2016 **Research Team Leader 'Migration & Education'**, *Wittgenstein Centre for Demography and Global Human Capital, Austria*.
- Aug 2010 - Oct 2010 **Associate Research Scholar**, *World Population Program, International Institute for Applied Systems Analysis, Austria*.
- May 2006 – Mar 2007 **Research Assistant**, *School of Geography, Planning and Environmental Management, The University of Queensland, Australia*, working for the Queensland Centre for Population Research.
- Jun 2004 – Feb 2005 **Research Assistant**, *School of Environmental and Applied Sciences, Griffith University, Australia*, conducting case studies on amenity migration in inland Australia.

Research Interests

- since 2014 **Research on the motives of student mobility**, i.e. planning and completing an online survey among international students in Austria on their motives, experiences and career plans; analysis of the results with mixed methods.
- since 2012 **Development of interactive data visualisations**, for exploratory data analysis, policy advice and the dissemination of research to a wider audience.
- since 2010 **Quantitative research on international migration**, i.e. quantification and analysis of international migration flows and the modelling of migration in global population projections using census- and register-based data (with STATA, R, Excel).
- since 2005 **Quantitative research on internal migration and mobility**, i.e. analysis of internal migration flows and drivers of moving (e.g. in Germany, Austria, the UK and Australia) using indicators of spatial structure, event history and age-period cohort models based on census-, register- and panel-data (with STATA, R, Excel & ArcGIS), as well as projections of internal migration with multi-regional projections models.

Teaching Experience

- since 2016 **Lecturer & Coordinator**, *University of Groningen*, Masters course "Contemporary Population Issues".
- since 2016 **Lecturer & Coordinator**, *University of Groningen*, Bachelor course "Population Geographies".
- 2016 - 2017 **Lecturer & Coordinator**, *University of Groningen*, Masters course "Population Policies and Interventions".
- since 2016 **Guest lecturer**, *University of Groningen*, Bachelor course "Migration and Development".

- since 2016 **Guest lecturer**, *University of Groningen*, RUG Summer School "Population and Society".
- 2011 **Guest lecturer**, *Department of Tourism and Hospitality Management, MODUL University Vienna*, Course: Latest Trends and Innovations in Tourism.
- 2008 **Guest lecturer**, *School of Geography, Planning and Environmental Management, The University of Queensland, Australia*, Course: Applied Demography.
- 2006 – 2008 **Teaching Assistant**, *School of Geography, Planning and Environmental Management, The University of Queensland, Australia*.

Thesis Supervision

- 2017 **Winida Albertha**, *Masters thesis supervision, University of Groningen*.
- 2014 **Jonas Vogt**, *Internship during Masters degree, Vienna Institute of Demography*.
- 2011 **Yang Li**, *YSSP Student, International Institute for Applied Systems Analysis*.
- 2011 **Gernot Pucher**, *Internship during Masters degree, Vienna Institute of Demography*.

Professional Services

- since 2016 **Comparative Population Studies (BIB)**, *Member of the International Advisory Board*.
- since 2015 **Population, Space & Place (Wiley)**, *Member of the International Advisory Board*.
- 2014 **Austrian Integration Fund**, *Member of the Jury for the Dissertation Price*.
- since 2013 **International Geographical Union, Commission on Population Geography**, *Member of the Steering Committee and Secretary*.
- 2002 **University of Tübingen**, *Member of the Professorship Search Committee*.

Research Funding

- 2016 **Quantifying the impact of internal migration on human settlement around the globe**,
Proposal submitted to the Dutch NWO VIDI Grant call 2016, but not retained for funding.
- 2015 **Integrating Demography, Migration and Space in the Modelling of Urban Growth (DEMISPACE)**,
Proposal submitted to the Austrian FWF START Grant call 2015; evaluated as belonging to the top 10% of all proposals, but not retained for funding.
- 2015 **Integrating Demography, Migration and Space in the Modelling of Urban Growth (DEMISPACE)**,
Proposal submitted to the ERC Starting Grant call 2015; evaluated as belonging to the top 25% of all proposals, but not retained for funding.
- 2014 - 2015 **Coordinator of the case study on student mobility in Austria**,
PI: Prof Allan Findlay, University of St Andrews,
Project title: ESRC Centre for Population Change (phase II), Mobility Strand WP3.2 "Dynamics and policy implications of changes in student mobility".
- 2010 - 2014 **Modelling international migration in global population projections**,
PI: Prof. Wolfgang Lutz,
ERC Advanced Grant "Forecasting Societies' Adaptive Capacities to Climate Change".
- 2007 - 2010 **Prospects for later- life migration in urban Europe**,
WP leader: Prof. Vegard Skirbeck,
European Commission Grant "Peri-urban Land Use Relationships: Strategies & Sustainability Assessment Tools for Urban-Rural Linkages (PLUREL)".
- 2006 - 2010 **Retirement migration in Australia**,
PI: Prof. Martin Bell,
Australian Research Council Discovery Grant "Understanding the Structure of Internal Migration in Australia".
